

# INTER-POSE

plancher ergonomique | plancher sécuritaire

## RXFLOOR+ SOLUTION DATA SHEET

PRODUCT INFORMATION	
Name of supplier	Inter-Pose (9222-2389 Québec inc.)
Product name	RxFloor+ Solution
Usage	Water-based cleaner
Manufacturer	HOMETECH INDUSTRIES
Manufacturer's contact information	450-750-4772
INFORMATION ON PREPARATION	
Prepared by	Le Service de santé et sécurité
Updated : 2021-01-26	450-750-4772
PHYSICAL CHARACTERISTICS	
Physical condition and appearance	Turquoise clear liquid
Vapor pressure	N/A
Density	N/A
Vapor density	N/A
Color and odor	Turquoise, very light aromatic
Olfactory detection limit	0.1 ppm
Freezing point	N/A
Boiling point	N/A
Coefficient of water/oil partition	N/A
pH	9.5
Solubility in saturated water	6.7 G/L AT 20 °C
RISK OF FIRE OR EXPLOSION	
Flash point and method of determination	N/A
Upper flammable limit	N/A
Auto-ignition temperature	N/A
Conditions of flammability	Non-flammable liquid
Explosion conditions	N/A
Explosibility - shock sensitivity	N/A
Explosibility - sensitivity to electrostatic discharge	N/A
Extinguishing media	Water spray
Special techniques	N/A

REACTIVITY	
Condition of chemical instability	None
Chemical Incompatibility	N/A
Reactivity conditions	N/A
Hazardous decomposition products	N/A
TOXICOLOGICAL PROPERTIES	
Ways of absorption	Respiratory, digestive and cutaneous tracts
Effects of Acute Exposure	None
Effects of chronic exposure	None
Irritating property	None
Product Awareness	No
Carcinogenicity	Not carcinogenic
Toxic effects on reproduction	No
Teratogenicity	No
Mutagenicity	No
Toxicologically synergistic products	N/A
Exposure limits	
Hazardous ingredients	None
PREVENTIVES MEASURES	
<b>Protective Equipment :</b>	None
Respiratory	Safety goggles
Eyes	N/A
Gloves	None
Technical mechanisms	Use a non-combustible absorbent. Place waste in a sealed container. Avoid discharge to sewer.
Leaks or Spills	Do not dispose of contaminated absorbents in the garbage. Ventilate spill area thoroughly to allow remaining liquid to evaporate. Consult the regional office of the Ministry of the Environment and Climate Change Control.
Disposal of residues	None. Wear appropriate protective equipment.
Manipulation	Refer to NFPA-30 and NFPA-77.
Warehousing	Store away from frost in an airtight container in a cool, dry place.
Shipping	Not regulated
FIRST AID	
Inhalation	N/A
Eye contact	Rinse eyes thoroughly with water for 15 to 20 minutes. If irritation persists, consult a doctor.
Contact with the skin	Remove contaminated clothing promptly. Wash skin with soap and water. If irritation persists, seek medical attention.
Ingestion	If swallowed, rinse mouth. Give a glass of water to drink. Do not induce vomiting and seek medical attention.
